7:30 pm - Wednesday March 7<sup>th</sup>

**Preacher: Sr. Wendy Cotter, CSJ, PhD, a Sister of St. Joseph of London, will be speaking on “Jesus of the Miracle**

**Stories”. Sr. Wendy’s speciality is miracle narratives of the earliest traditions. She has written articles on parables, on the Q document and two books; The Miracles in Greco-Roman Antiquity and The Christ of the Miracle Stories: Portrait Through Encounter. The miracle stories are older than the oldest**

**gospel, each one is a treasure that the community lovingly saved, they are really the only kind of stories where we see how Jesus himself dealt with ordinary, flawed people and his response to them. Jesus' casting aside the demands of polite society to go over to the side of these petitioners not only shows his own heart, but also then, displays for the disciple, the virtues and attitudes of heart for those who wish to follow him, too. Come and join Sr. Wendy to meet once more, the Jesus of the Miracle Stories!**
